## 2015 Division of Youth Services (County) RFP

Since the grant is structured over a two year period, should the responses and the budget projections have 2015 and 16 in total, broken out by year, or simply for 2015 like a one year proposal? It is possibly problematic to project exact costs for services 198 months from now.

**Question 1:** *Do you have to submit 2 separate budget forms, one for 2015 and one for 2016?*

**Answer 1:** If the agency only submits a 2015 budget, we will accept this as your related expenses for each year. Please be clear in the detailed items and narrative summary the amount of funds you are requesting from the County for your project.

I am writing to gain some clarity on the multiple proposal section (page 8) of the County Funded Youth Services RFP.

I am trying to understand what are considered funding categories. Are Primary Prevention, Secondary Prevention and Treatment the categories or are each subsection (afterschool, mentoring, etc.) the categories?

It is clear that a proposal is required for each category applied so if we decide to apply for multiple sections in the Treatment component - would that require multiple proposals?

**Question 2:** *Are Primary Prevention, Secondary Prevention and Treatment the categories OR are each subsection (afterschool, mentoring, etc.) the categories?*

It is clear that a proposal is required for each category applied so if we decide to apply for multiple sections in the Treatment component - *would that require multiple proposals?*

**Answer 2:** If any organization/provider is applying in more than 1 priority area (under different categories) a separate proposal must be submitted for each.

As stated on page 8 of the RFP, more than one proposal per funding category from an individual, a firm or partnership, a corporation or association under the same or different names shall not be considered.

**Question 3:** *Which agency currently holds the funding for Secondary Prevention, Afterschool programming?*

**Answer 3:** The Boys & Girls Club was the recipient of the 2014 County Non-School Hours/Recreation/Support Services funding.
